

Humboldt Bay Municipal Water District Samoa Reservoir Seismic Retrofit Bid Addendum #5

The purpose of this Addendum is to modify the Contract Documents for the subject project. This Addendum shall become part of said Contract Documents.

Bidders shall acknowledge receipt of this Addendum in their bid proposal.

The Contractor as noted on sheet S-002 under "Statement of Special Inspections" is required to coordinate all special inspections. The Agent referenced in this section is the Owner's representative who will be responsible for conducting the special inspections. Contact information for the special inspections will be provided during the preconstruction meeting. Note, special inspections do not alleviate the Contractor from quality control and inspection requirements per Contract Documents and Technical Specifications, Part 4 - Specifications for this project.
